

**Do you have an
innovative sustainable idea?**

**Do you want to learn
about the business potential
of your idea?**

We have the programme just for you!

The pre-acceleration programme Danube Energy+ Tool will help you validate and develop your idea and improve your business skills in an international environment.

**When can you apply
for the programme?**

**Open call: 28th of January
to 28th of February 2020**

What do we offer?

- An Idea Generation workshop
- A Business Development plan
- Sales & Pitching workshops
- The mentorship of skillful and experienced mentors
- The possibility to connect to potential investors

Who can apply?

Apply to the Danube Energy+ Tool if:

- You are under the age of 35, curious about innovation and have an idea in the following fields relevant to the energy transition, for example:
 - Circular economy
 - Innovative sustainable materials
 - Other fields, related to sustainability, energy efficiency and renewable energy
- You do not have an ongoing business (no venture established beforehand for the idea in the program)
- You have indications of a good team

The Danube Energy+ Tool – pre-acceleration programme:

Giving young people the opportunity and testbed for innovation in the energy and sustainability sectors by validating their ideas, providing opportunities to learn, develop business skills and grow in an international environment:
